3. Use the "Sign Up" link in the upper right corner to open a new account.
4. When you click "Sign Up", you have the option to "Continue with Facebook" or "Use my email address".
5. Through "Use my email address", you will fill out a form (First name, Last name, email address, confirm email address, create a password).
6. When complete, there will be a pop-up window that says: "Join the Team: Join our team to help us fundraise. By joining this campaign you will instantly create your own fundraising page that you can personalize and share with everyone you know."
7. Click on the "Join the Team".
8. Your fundraising page is automatically created!
9. Next, click on the circle icon, that has either your initials or an image in it, that is in the upper right corner of the screen, and then click on "Campaigns".
10. "Golf with Friends" pops up under "My Campaigns". Click on "Edit" or "View".
11. "View" takes you to your campaign page that mirrors the main campaign page. Click on "The Team" and you see everyone who has created a page.
12. Click on "Edit" and you can "Fundraiser Page: Customize your fundraiser page. Tell your story, set your goal, design your page, and access your settings."

14. Make your edits, click "Save" then exit using the "X" in the upper left corner.
15. Click once again on the circle icon in the upper right corner, click on "Campaigns" and you're back to your "My Campaigns" page.
